

## Healthcare Services

### Problem

- Are you struggling to find meaning in “meaningful use”?
- Is your quest to be HITECH compliant resting on unknowns—requirements, budget, solutions, etc.?
- What systems can you trust when you are personally liable—up to \$1.5M with possible incarceration—for patient privacy and security?
- How do you achieve balance between HITECH security compliance and interoperability in your systems to mitigate data breach risks?
- Is unsecured information putting you at risk for a data breach that could hurt your reputation and bottom line financials?

### What should you do?

You should consider *Healthcare Services* from IQ Tech Pros—the world's largest full service IT integration network with over 15,000 certified IT professionals.

#### HEALTHCARE SERVICES

Following are some Healthcare Services available through IQ Tech Pros to help your organization achieve ARRA-HITECH compliance:

#### ARRA-HITECH SERVICES

Perform a gap analysis on your current state and known requirements to evaluate your readiness for ARRA-HITECH funding.

- ✓ **Subject Matter Experts.** Benefit from the collaborative experience of the network as SMEs in the healthcare industry evaluate your organization for ARRA-HITECH compliance.
- ✓ **ARRA-HITECH Planning.** Design workflow, business and clinical processes that align with industry best practices.
- ✓ **ARRA-HITECH Recommendations.** Understand what it takes to meet standards for “meaningful use” in your organization.

- ✓ **EHR Implementation.** Implement your strategies to meet standards for “meaningful use” to qualify for ARRA-HITECH funds.

#### PRIVACY & SECURITY

Meet ARRA-HITECH encryption requirements and mitigate the risk of mandatory penalties and notification terms for data breaches.

- ✓ **HIS Services.** IT services for HIS systems—including EPIC, Cerner, Meditech, Eclipsis and McKesson. Services include:
  - Project Staffing and Management
  - Software Configuration
  - Software Installation and Operational Readiness
  - Quality Assurance & Testing
  - Software & System Upgrades
  - Business Process Consulting 3rd Party Integrations
  - Red Flag Rules
- ✓ **EHR/EMR Adoption Services.** Assess your current state, select systems based on identified needs and implement EHR/EMR adoption strategies in your organization.
- ✓ **ARRA-HITECH Compliance.** Perform a gap analysis on your current state and known requirements and make recommendations to achieve ARRA-HITECH compliance.
- ✓ **Policies & Procedures Training.** Construct customized policies and procedures from templates reviewed by legal and technical specialists. Training can be live or digital.

#### ELECTRONIC DATA INTERCHANGE (EDI)

Implement quality transaction processing through standards-based data exchange and achieve ARRA-HITECH compliance.

- ✓ **5010 Services.** Assessment, planning and implementation services to help your organization transition to HIPAA 5010 compliance with minimal disruption to business processes.
- ✓ **SNOMED Services.** Format transaction set data with SNOMED standards.
- ✓ **Interoperability Assessments.** Evaluate the integration of your organization's information systems and provide recommendations to improve communication and achieve HITECH compliance.
- ✓ **ICD9-ICD10 Transition Services.** Avoid coding errors to ensure you are reimbursed correctly as you transition to ICD10.

#### OTHER HEALTHCARE SERVICES

Following are some other Healthcare services offered by IQ Tech Pros.

#### VIRTUALIZATION

Strategic consolidation of IT resources allows for denser computing, lowers acquisition and maintenance costs, requires less power and cooling and achieves a smaller physical IT footprint.

- ✓ **Full Assessment.** Understand your system requirements, usage, interoperability and process flow to identify virtualization opportunities.
- ✓ **Planning.** Develop a cohesive, holistic virtualization strategy across your IT infrastructure.
- ✓ **Pilot.** Test your strategies on a small scale to optimize the virtualization process.
- ✓ **Implementation.** Implement changes across the enterprise to reduce complexity, improve flexibility and achieve a comprehensive virtualized IT environment.

#### CUSTOM SHAREPOINT SOLUTIONS

Advanced SharePoint functionalities and features catered to healthcare organizations enhance business processes, improve communication and collaboration, boost productivity and simplify user experience.

- ✓ **SharePoint Starter Package.** Includes all necessary consultation, setup, training and documentation needed to get SharePoint implemented in your organization.
- ✓ **Metadata-based Security.** Allows per-item security with SharePoint by setting permissions and controlling document access through metadata properties.
- ✓ **Taxonomy Classifications.** Stronger, automated classification of documents provides enhanced search capabilities, ensures accuracy and improves search times for users.

#### PLUS MORE...

If you have custom needs or projects that are “outside-the-box,” IQ Tech Pros can provide specialized IT services to keep your business running smoothly.

# Why Use IQ Tech Pros?

There are four main reasons to consider the IQ Tech Pros *network*:

1. It is the world's largest full-service *network* of highly qualified IT talent.
2. It provides the best IT professionals.
3. The services are scalable.
4. The pricing is highly competitive.

Let's look at each of these points in detail:

## 1 WORLD'S LARGEST TALENT BASE

With over 15,000 consultants and IT integrators, the IQ Tech Pros *network* has more pre-qualified, full-service employee talent than any other source.

- ✓ **Immediate Infrastructure.** From start to finish, your project is in the capable hands of certified project managers, business analysts, thought leadership professionals and the world's largest full-service IT integration *network*.
- ✓ **Customized Project Teams.** Project managers and business analysts compile your requirements and assemble talent based on your specific project needs. You can access team member profiles for review at any time.

## 2 THE BEST IT PROFESSIONALS

Members of the IQ Tech Pros *network* are the best IT professionals:

- ✓ **IQ Tech Pros Employees.** Unlike freelance sites that are filled with thousands of unscreened independent contractors who require separate vendor IDs, most IT talent hired through IQ Tech Pros are employees of the world's largest full-service IT integration *network*.
- ✓ **Access to Best Practices.** *Network* members have access to a centralized knowledgebase of best practices and work collaboratively to offer you proven IT solutions.
- ✓ **Fully Insured.** Members of IQ Tech Pros have access to complete benefits and are fully bonded and insured to the highest level required by even the most demanding clients.

- ✓ **Proven Track Record.** IQ Tech Pros employees have an average of five plus years of IT consulting and project management experience — in addition to the years spent working within other companies.
- ✓ **Unique Screening.** Finally, every prospective employee of IQ Tech Pros goes through a four-point review process.
  1. Skills are rated in a detailed technical interview process.
  2. Previous and ongoing projects are reviewed to ensure they meet client requirements and expectations.
  3. A 20-point reference check is done with previous managers and past contracts — all projects are referenced.
  4. A detailed background check is completed to screen for possible illegal drug use or criminal involvement.

Consultant and project membership is by *network* invitation only.

## 3 SCALABLE SERVICES

IQ Tech Pros can handle any project—large or small, simple or complex, local or worldwide.

- ✓ **Repeatable Methodologies.** Specialists incorporate industry-specific, proven and repeatable methodologies to every project to shorten project completion time and ensure customer satisfaction.
- ✓ **Global Delivery Model.** 24/7 productivity can be achieved by combining IQ Tech Pros' onshore and offshore resources to complete large or complex projects quickly. On-site project management is always available to keep things running smoothly.

IQ Tech Pros operates CMM certified facilities globally.

## 4 COMPETITIVE PRICING

IQ Tech Pros offers highly competitive pricing. Here's how:

- ✓ **Low Overhead.** The IQ Tech Pros *network* is a very efficient organization with minimal administrative bloat and overhead. Significantly more of the project revenue goes to the *network* members—and much less is used for executive perks and skyscrapers.

This efficiency translates to less overhead and a MUCH lower cost to you. Our golf game suffers...but your projects won't!
- ✓ **A NEW Model.** IQ Tech Pros uses a NEW model, not one of the old "BIG consultant" models. It's like a consulting co-op where members are treated as owners and employees.

Everyone does much better—the employees and the clients, who receive superior quality services at a highly competitive price.

### PICTURE THIS...

The next time you need help; just place one call to IQ Tech Pros. Your project is then completed on time, it meets or exceeds expectations—and you are the hero... all because you used the IQ Tech Pros *network*.
