

the world's largest full-service IT integration network

## Staffing Services

### Problem

- Are you trying to initiate new IT projects, but don't have the time to do it in-house?
- Or maybe you are missing the internal expertise to finish a project, but can't hire a full-time specialist?
- Perhaps you don't know where to outsource your project (big or small), and don't have the time to sort through potential candidates or numerous staffing companies?

### So, what should you do?

You may want to consider *Professional Staffing Services* from IQ Tech Pros, the world's largest full-service IT integration *network* with over 15,000 certified IT professionals in every major field.

# Why Use IQ Tech Pros?

There are four main reasons to consider the IQ Tech Pros *network*:

1. It is the world's largest full-service *network* of highly qualified IT talent.
2. It provides the best candidates.
3. The services are scalable.
4. The pricing is highly competitive.

Let's look at each of these points in detail:

## 1 WORLD'S LARGEST TALENT BASE

With over 15,000 certified IT consultants and integrators specializing in every major field, the IQ Tech Pros network has more pre-qualified, full-service IT talent than any other source.

- ✓ **Immediate Infrastructure.** From start to finish, your project is in the capable hands of certified project managers, business analysts, thought leadership professionals and the world's largest full-service IT integration *network*.
- ✓ **Customized Project Teams.** Project managers and business analysts compile your requirements and assemble talent based on your specific project needs. You can access team member profiles for review at any time.

## 2 THE BEST CANDIDATES

Members of the IQ Tech Pros *network* are the best candidates:

- ✓ **IQ Tech Pros Employees.** Unlike freelance sites that are filled with thousands of unscreened independent contractors who require separate vendor IDs, most IT talent hired through IQ Tech Pros are employees of the world's largest full-service IT integration *network*.
- ✓ **Access to Best Practices.** *Network* members have access to a centralized knowledgebase of best practices and work collaboratively to offer you proven IT solutions.
- ✓ **Fully Insured.** Members of IQ Tech Pros have access to complete benefits and are fully bonded and insured to the highest level required by even the most demanding clients.
- ✓ **Proven Track Record.** IQ Tech Pros employees have an average of five plus years of IT consulting and project management experience — in addition to the years spent working within other companies. Consultant and project membership is by *network* invitation only.

✓ **Unique Screening.** Finally, every prospective employee of IQ Tech Pros goes through a four-point review process.

1. Skills are rated in a detailed technical interview process.
2. Previous and ongoing projects are reviewed to ensure they meet client requirements and expectations.
3. A 20-point reference check is done with previous managers and past contracts — all projects are referenced.
4. A detailed background check is completed to screen for possible illegal drug use or criminal involvement.

By using IQ Tech Pros, you can feel confident that you have competent, responsible and ethical candidates to work on all your IT project needs.

## 4 COMPETITIVE PRICING

IQ Tech Pros is the outsourcer's outsource. Many of the popular IT outsourcing companies subcontract staffing and consulting services through IQ Tech Pros. You can work through these excellent partners or work with IQ Tech Pros directly— whichever you prefer. Regardless, IQ Tech Pros offers highly competitive pricing. Here's how:

✓ **Low Overhead.** The IQ Tech Pros *network* is a very efficient organization with minimal administrative bloat and overhead. Significantly more of the project revenue goes to the network members—and much less is used for executive perks and skyscrapers.

This efficiency translates to less overhead and a MUCH lower cost to you. Our golf game suffers...but your projects won't!

✓ **A NEW Model.** IQ Tech Pros uses a NEW model, not one of the old "BIG consultant" models. It's like a consulting co-op where members are treated as owners and employees.

Everyone does much better—the employees and the clients, who receive superior quality services at a highly competitive price.

The *network* functions as a facilitator for clients and employees—offering project screening, project management and highly qualified professionals to minimize risk and liability, maintain total quality control and maximize client satisfaction.
